

# Society of Exploration Geophysicists

## Certificate of Affiliation

*In recognition of the common goals and in the interest of fostering improved international cooperation in geophysics, the Society of Exploration Geophysicists (SEG) has approved the petition for affiliation of the Society of Exploration Geophysicists Japan (SEGJ) as an SEG Associated Society.*

*As an Associated Society of SEG, the SEGJ shall be entitled to all rights extended to SEG Sections and Associated Societies.*

*The SEGJ agrees to abide by the responsibilities and conditions set forth for SEG Sections/Associated Societies in SEG Bylaws, Article IX.*

*In addition, each Society agrees that neither shall have any financial obligation to the other.*
