

PROPOSED SESSIONS and CONVENERS

1. Sensors and Acquisition Technologies
(T. Endo and T. Mizuno)
2. Seismic/Geodetic Imaging Technologies
(H. Ban and T. Yokota)
3. DC/EM Imaging Technologies
(Y. Sasaki and K. Suzuki)
4. GPR Imaging Technologies
(M. Sato)
5. Gravity and Magnetism
(K. Nozaki and T. Nakatsuka)
6. Reservoir Characterization
(K. Kashihara, T. Tsuru, T. Endo
and M. Fujimoto)
7. Shallow/Near-Surface Structural
Applications
(T. Takahashi)
8. Environmental and Engineering
Applications
(H. Saito)
9. Disaster Mitigation Applications (*including
2011 Tohoku M9.0 earthquake and its
impact on society, economy and energy
strategy*)
(N. Hasegawa and H. Mikada)
10. Mining Geophysics
(T. Tsujimoto, A. Saito and E. Arai)
11. Time-Lapse/Monitoring and Rock Physics
(F. Tsuneyama, T. Nakayama and A. Kato)
12. Imaging/Interpretation Case Studies
(N. Hirabayashi and H. Yamamoto)

OPEN PUBLIC SESSION

Frontier of Science and Technology of Super
compute”

1. Origin of the Universe, first star, dark
matter (Naoki Yoshida, Univ. of Tokyo)
2. Sub-meso scale atmospheric and oceanic
phenomena revealed by high-resolution
numerical simulations on the Earth
Simulator (Wataru Ohfuchi, JAMSTEC)
3. High-resolution numerical simulation of
thermal environment in coastal urban area
(Yuuya Baba, JAMSTEC)
4. Tsunami Simulation (Kenji Satake, Univ. of
Tokyo)

PROGRAM

Saturday, 19th November 2011.

15:00-17:00 Registration

Sunday, 20th

09:30- Registration

10:00-17:40 Technical Session

18:00-20:00 Poster Core Time with
Opening Beer Party

Monday, 21st

09:20-12:20 Technical Session

13:30-14:30 Welcome/Congratulatory
Address

15:00-17:50 Open Public Session

18:30-20:30 Reception

Tuesday, 22nd

09:20-17:40 Technical Session

17:40-18:00 Closing Remarks

Wednesday, 23rd

One-day Technical Tour

REGISTRATION FEE

Early Bird Registration

(Until October 15, 2011)

Member*: JPY 21,000

Non-member: JPY 31,000

Student: JPY 5,000

Regular Registration

Member*: JPY 27,000

Non-member: JPY 37,000

Student: JPY 7,000

*Member of SEGJ / KSEG / ASEG / SEG /
EAGE / EEGS / VAG / SPG / AGU / AOGS or
supporting societies in Japan.

The registration fee includes one Proceedings
Volume and a CD (on-site pickup only). The
following fees, however, are not included: cork
fee at the Opening Beer Party, the admission
to the Welcome Reception, and the
participation to the One-day Technical
Excursion.

GENERAL INFORMATION

1) Reception

The welcome reception will take place at
the International Conference Hall. The fee
is 6,000JPY.

2) Exhibition

Exhibition takes place in the International
Conference Hall during the symposium.
Exhibitors may demonstrate how
instruments or software function in
allowable power supply. For more details,

please contact to the organizing committee.

3) *Visa Assistance and Invitation Letter*

If you require a formal letter of invitation and visa assistance, please contact segj10visa@segj.org

4) *Technical Tour*

One-day excursion to Nara National Research Institute for Cultural Properties is planned jointly with the Workshop on Subsurface Electromagnetic Measurements on 23rd November. GPR demonstration is planned. The fee is 3,000JPY.

HOTEL ACCOMMODATIONS and RESERVATION

The Symposium is held in the **highest season** of the tourism in and around Kyoto. Participants to the Symposium are suggested to access our web site for accommodation at their earliest occasion. Reservation site will be accessible through the symposium website.

SPOUSES' TOUR

TSUKINOKATSURA Sake brewery (called as "Sakagura") tour at 15:00-18:30 on 22nd November. The fee is 3,500JPY. For detailed tour information, visit <http://www.segj.org/is/10th/event.html>

General Chair:

SEGJ: Hitoshi Mikada, Kyoto University
International Advisory Board

KSEG: Yeong-Sue Park, KIGAM

ASEG: James Macnae, RMIT University

SEG: Daniel Rosales, e4sciences

EEGS: Chih-Ping Lin,
National Chiao Tung University

VGA: Mai Thanh Tan, Hanoi University of
Mining and Geology
